Caterham Valley For You and Father Christmas take your privacy very seriously. The information supplied will only be used to send your reply and the elves will then shred all contact details.

# DON'T FORGET

To receive a reply from Father Christmas, bring your letter into Caterham Valley between 10am and 3pm on Saturday December 7, and hand it to Father Christmas's fairy Holly Berry, or ask a friend to bring it for you!

**There will be a flurry of festive magic in Caterham Valley on Saturday December 7, when two of Father Christmas's helpers arrive all the way from the North Pole.**

Our enchanted visitors, a festive fairy named Holly Berry and a junior elf called Jack Jingle, will be in town to collect little ones' letters to Father Christmas – with every single child who hands in their letter promised a personal reply in the post.

"We can't wait to meet all the children of Caterham and read their letters to Father Christmas!" Holly tells us. "I just hope that Jack Jingle will be on good behaviour, as he has been known to be a little bit mischievous at times!"

During their tour of the town, the pair will be stopping off at five different destinations where children can hand in their letters – and also grab a selfie with the duo (or should that be an elfie?!).
