

The logo is a green and blue shield-like shape with a white border. It contains the text "CATERHAM VALLEY" in white capital letters and "for you" in a smaller, white script font.

CATERHAM
VALLEY
for you

The background is a dark blue night sky with white stars and snowflakes. On the left, a snow-covered pine branch with red and gold ornaments hangs down. On the right, another similar branch hangs down. In the center, a grey mouse with large ears and whiskers is sitting on a patch of snow, looking towards the right. In the background, there is a row of colorful houses (red, blue, and brown) with snow on their roofs. A small Christmas tree is in front of one of the houses. To the right of the houses, a silhouette of Santa Claus in a sleigh, pulled by two reindeer, is flying across the sky.
