

Example of Pedestrian Movement Control to be utilised during the works

Notification of Night Works

Croydon Road

From 27th August 2024

Information about Croydon Road:

From Monday 27th August 2024 for a period of three weeks, Walker Construction will be undertaking works on the footways outside of commercial properties during night time hours of 20:00 to 05:00 as part of the redevelopment works on Croydon Road.

The works shall involve the following:

- Excavation works
- Installation of ducting
- Installation of new paving

During this time there is be partial footway closures in order to complete these works with pedestrian diversion routes in place.

We apologise for any inconvenience caused during these works.

Useful contact details for the works:

 In works queries: Walker Construction: 01296 733856 or bucksoffice@wcuk.co.uk

We will make every effort to avoid disruption with the use of pedestrian management control. If there are any major issues, please talk to our manager on site or use the contact details provided within this leaflet.

**Works from 27th August 2024
for 3 weeks**

**There will be partial footway
closures to facilitate the works
which will take place overnight.**

**Pedestrian diversions will be in
place – please follow signage for
your own safety**

Delays in work:

Our work is sometimes delayed by bad weather and unforeseen circumstance, we will keep you updated on any changes via the advance warning signs located at each end of the works.

Noise:

There will be some noise, but we will try to keep this to a minimum.

We apologise for any inconvenience caused.

Please keep this information leaflet in a safe place so you can refer to it.
